

### KEY TO NOTE:

- Regen Facades has been contracted by Bellway Homes to undertake mandatory **Fire Safety Remediation work at Turnberry Quay** (Waterford Court, Cashed Court & Clonmel Court) to both Internal and External areas of the building.
- A **'Meet the Contractor Event'** followed by a Q&A session about the remediation work has been planned for 7pm on 26th March 2025 at Kyla's Café. It will provide an opportunity for residents to meet key members of the team and learn more about the works ahead and our anticipated commencement date.
- Construction Level Design & Engineering has now been completed and submitted to the **Building Safety Regulator** – this ensures critical safety standards are met prior to the commencement of works on site.
- Internal Condition Surveys have progressed well and we are now almost complete (with around 90% of properties surveyed). If you have not yet booked your survey, please reach out to the Resident Liaison Officer to arrange a suitable appointment via [rlo.turnberryquay@regenfacades.co.uk](mailto:rlo.turnberryquay@regenfacades.co.uk)
- You can access our dedicated website at [www.turnberryquay-remedials.co.uk](http://www.turnberryquay-remedials.co.uk) to view our newsletters and download a copy of the Frequently Asked Questions – this will be kept up to date as new communications are released.
- Please reach out to your RLO with any questions in the meantime.
